

INCONMAT AUSTRALIA
INNOVATIVE CONSTRUCTION MATERIALS

The Future of Concrete Reinforcing

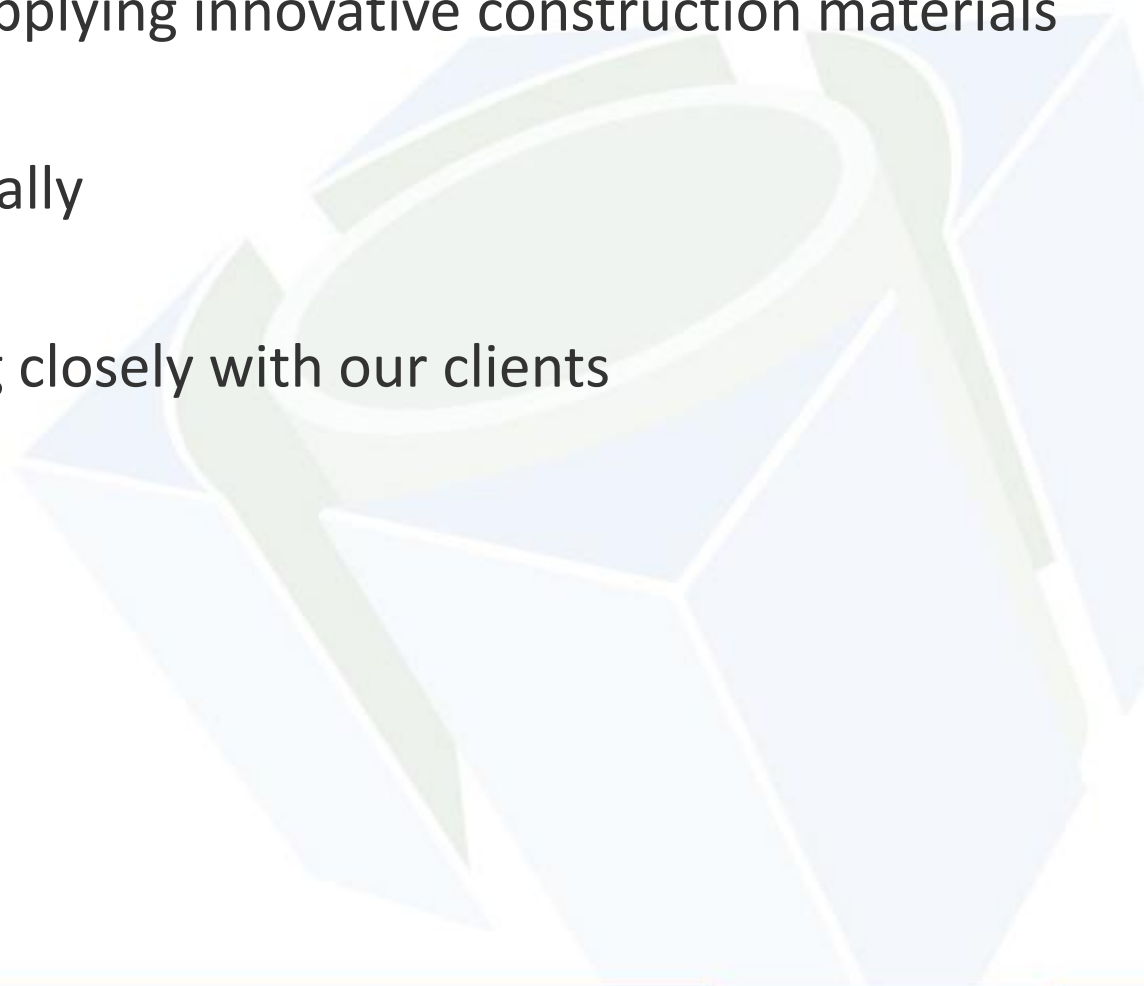

www.inconmat.com.au

Who we are

INCONMAT AUSTRALIA
INNOVATIVE CONSTRUCTION MATERIALS

- ▶ Specialising in sourcing and supplying innovative construction materials
- ▶ Our products are sourced globally
- ▶ We pride ourselves by working closely with our clients

What we do

INCONMAT AUSTRALIA
INNOVATIVE CONSTRUCTION MATERIALS

- ▶ Substantial engineering tests
- ▶ Highest Australian standards
- ▶ Surveying your project
- ▶ Solution specific to their needs
- ▶ Product on hand
- ▶ Quick delivery times anywhere in the country.

Applications

INCONMAT AUSTRALIA
INNOVATIVE CONSTRUCTION MATERIALS

- ▶ Highly effective solutions
- ▶ Wide range of projects
- ▶ Thorough engineering and testing
- ▶ Ideal in Australian conditions

Our products

INCONMAT AUSTRALIA
INNOVATIVE CONSTRUCTION MATERIALS

V•ROD

▶ Glass Fibre Rebar (GFRP)

Our products

INCONMAT AUSTRALIA
INNOVATIVE CONSTRUCTION MATERIALS

NYCONRC®

- ▶ The best reinforcement for enhanced concrete performance.

Nycon-G

- ▶ Environmentally friendly fibres.

Our products

INCONMAT AUSTRALIA
INNOVATIVE CONSTRUCTION MATERIALS

▶ **PVA FIBRES**

- ▶ Superior long-term crack control and eliminates the need for mesh.

Benefits

INCONMAT AUSTRALIA
INNOVATIVE CONSTRUCTION MATERIALS

- ▶ Corrosion eliminated
- ▶ Reduce plastic shrinkage
- ▶ Increase productivity
- ▶ Environmentally friendly
- ▶ Cost savings
- ▶ Replaces old age technologies

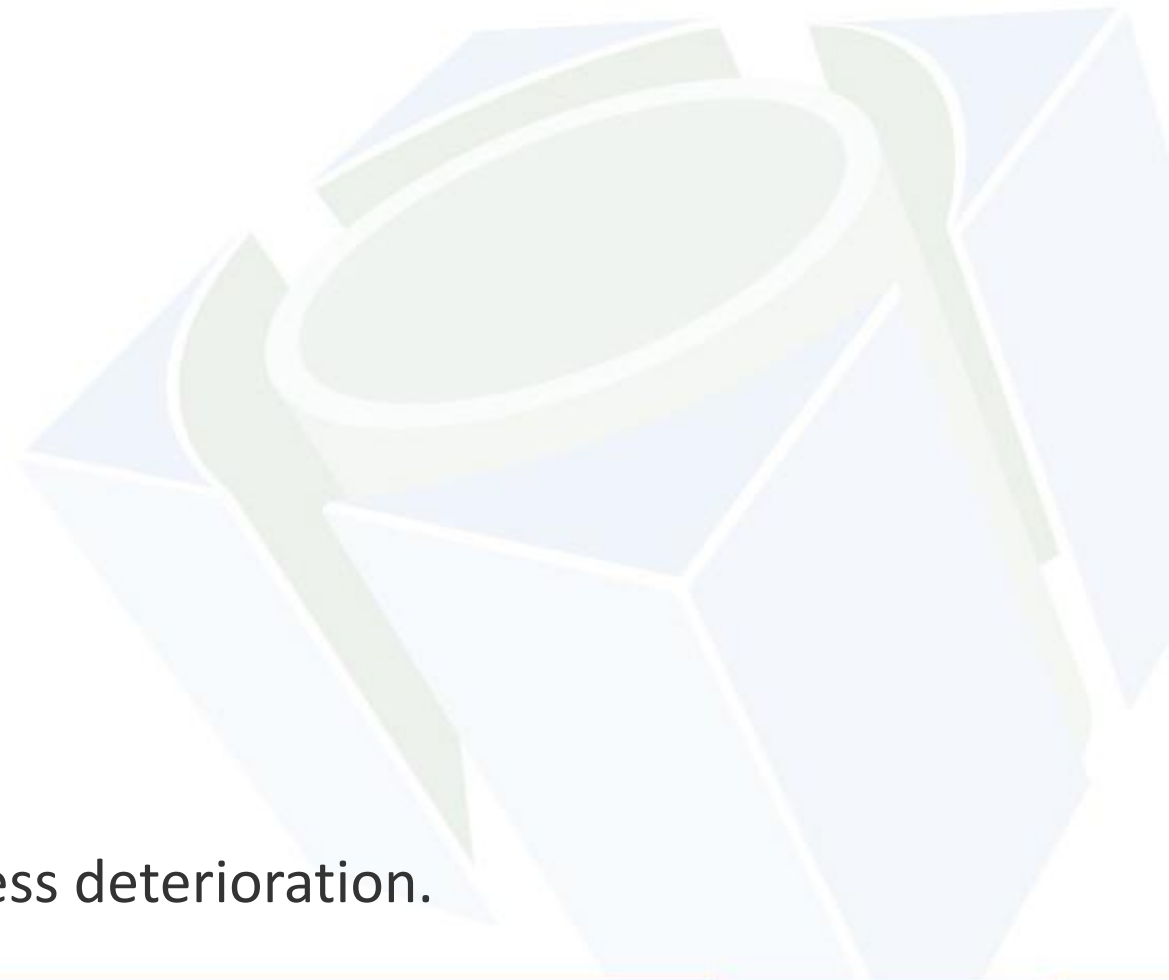

Save time & money

INCONMAT AUSTRALIA
INNOVATIVE CONSTRUCTION MATERIALS

- ▶ Transport
- ▶ Application
- ▶ Cost of Materials
- ▶ Longevity

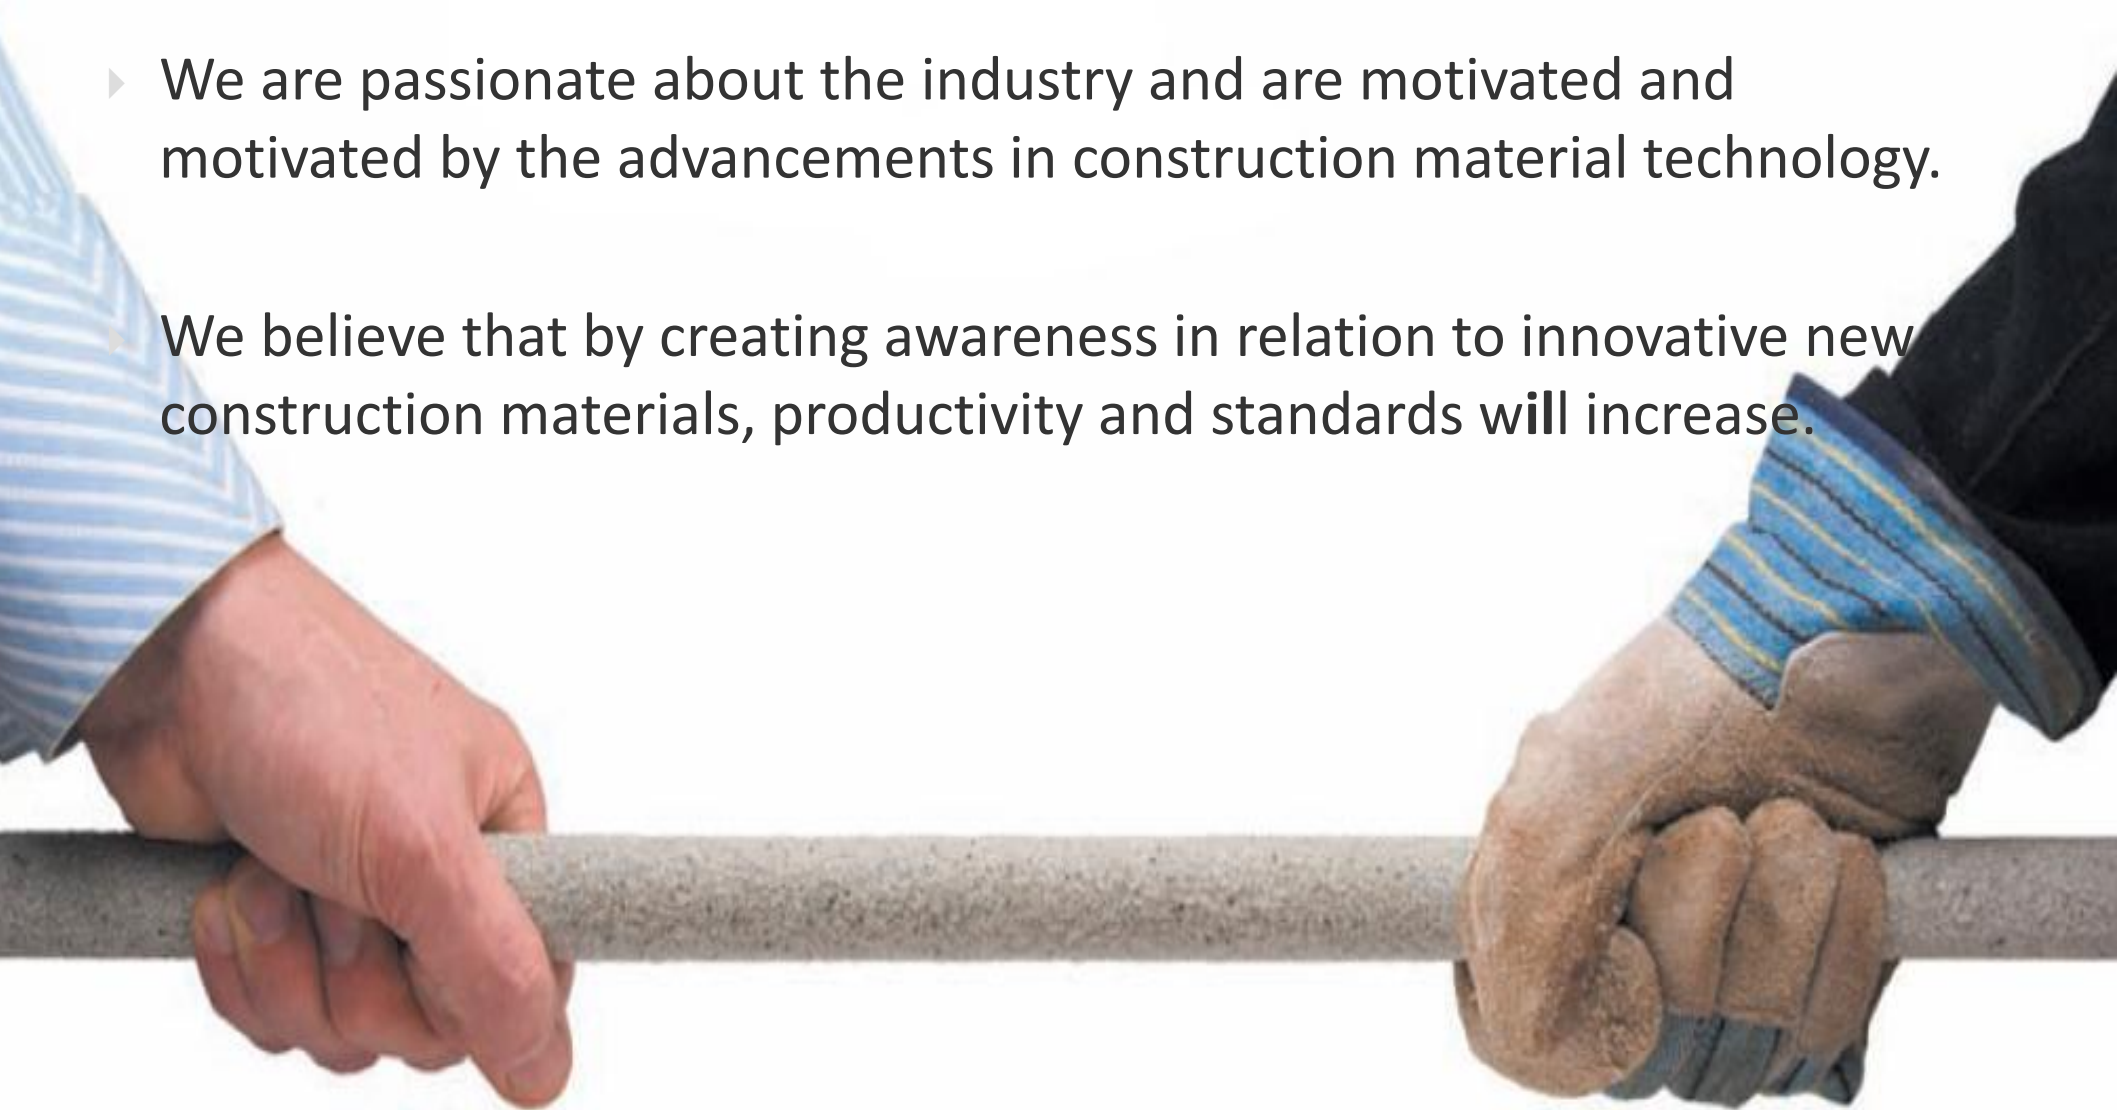

- ▶ Thorough engineering ensures less deterioration.

Why we do it

INCONMAT AUSTRALIA
INNOVATIVE CONSTRUCTION MATERIALS

- ▶ We are passionate about the industry and are motivated and motivated by the advancements in construction material technology.
- ▶ We believe that by creating awareness in relation to innovative new construction materials, productivity and standards **will** increase.

How we can help

INCONMAT AUSTRALIA
INNOVATIVE CONSTRUCTION MATERIALS

- ▶ Project Management assess individual projects to recommend the best solution within specified budget.
- ▶ Ongoing advice and support.
